Re: Change of Address for Application 09/434088

Dear Jayanti,

I talked with you this Monday over the phone about the above application. As you suggested, I called US Patent Office general phone number and I was instructed to fill the Form 122 (attached) and to fax it to you. I am also attaching the copy of the return postcard from US patent office, our letterhead, my name cards used in the past two years for your verification. You can also visit our web site at [www.hinnovation.com](http://www.hinnovation.com) to verify me further.

If possible, please fax to me the office action as soon as possible, as we only have less than 2 months to respond. Please also mail me a copy. Please email me if I need to provide more information to you.

Thank you for your help.
